

## GUND® BRINGS THE WORLD OF BEATRIX POTTER TO LIFE IN A SPECIAL COLLECTION OF GIFTWARE

April 2009

Generations of families have been charmed by Beatrix Potter's beloved tales of Peter Rabbit and his friends in the garden patch. Originally published in 1902, **The Tale of Peter Rabbit™** has created childhood friends that last a lifetime. These unforgettable characters are brought to life in a delightful collection of hand-painted resin gifts from **GUND**.

The perfect additions to a child's room are two carved resin musicals. Each is hand-painted in a spring color palette.

The 5.25" **Peter Rabbit Musical** features Peter standing on a stack of books, eating radishes he just picked. Peter rotates and plays "Mozart's Lullaby."

The 4.25" **Peter Rabbit Eating Radish Musical** features Peter standing in a radish patch eating radishes. The base of this revolving musical highlights all the vegetables that grow in his garden. It plays "English Country Garden."

Three charming resin **Photo Frames** are the perfect way to display your children's photo and add a decorative touch to any environment. Each 7.25" frame has a decorative border of garden plants and a dimensional character at the corner. They hold a 5.5" x 3.5" photo. The designs include:

- Peter Rabbit
- Timmy Willie
- Jemima Puddle-duck

A collection of 2.5"- 3" resin **Figurines** highlight all the favorite characters in the book in their familiar garden setting. The detailed sculpting and hand painting create treasured heirlooms worthy of collecting and displaying. There are twelve designs:
