## BEGIN A TRADITION WITH GUND'S MINIATURE COLLECTOR SERIES

June 2009

**GUND**<sup>®</sup> has taken the classic teddy bear and created a miniaturized plush teddy for collectors and lovers of the teddy bear who want to display precious little treasures.

Each teddy is just 4" high and features jointed arms and legs and hand-embroidered facial features. They sit in their own platform box with the "Collector Series" logo printed on it.

They can be purchased individually or in a three piece collection displayed in an acetate window display box.

There are three individual styles:

**Spencer**<sup>™</sup> is a snow white teddy

**Sean**<sup>™</sup> is a honey brown teddy

**Preston**<sup>™</sup> is a taupe brown teddy

**GUND'S** miniature bears will be a great addition to anyone's Teddy Bear Collection!
