GUND'S CHRISTMAS STOCKINGS ADD A DECORATIVE TOUCH TO THE HOLIDAYS

April 2009

Hanging a Christmas stocking by the fireplace is not just a childhood tradition – it has become a very popular decorative accent for home décor. **GUND's Cozy Holiday Living Knit Stockings** are a stylish and contemporary way of adding a festive touch to your home.

The 21.5" **Cozy Holiday Living Knit Stocking** is crafted of red fabric with a white knit cuff and beige and red striped heel and toe. Delicate graphic Christmas trees are embroidered in white on the stocking. It has three white pom-poms hanging from red ribbon attached to the cuff and a red fabric loop for easy hanging.

The **Cozy Holiday Living Knit Stocking Assortment** of 17" stockings features two designs:

- A red and beige striped stocking with red toe and heel. It is adorned with white pom-poms on the cuff.
- A red stocking with red and beige striped heel. It is adorned with a white knit cuff with delicate embroidered snowflakes on the stocking.
