

GUND® HAS THE PERFECT HOLIDAY GIFTS FOR TEACHERS

April 2009

Holiday time is the perfect time to show your appreciation for teachers and **GUND's** collection of teacher gifts is sure to please.

The **Terrific Teacher™ Mini Waterglobe Ornaments** are a 2" combination waterglobe/ornament crafted of poly-resin. Inside the globe is a smiling apple and on the red base is two assorted messages: "#1 Teacher," and "World's Greatest Teacher."

The **Terrific Teacher™ Mugs** are 14 oz. white ceramic mugs decorated in a holiday palette of red and green. One has "Terrific Teacher" on a red apple and the other has a repeat pattern of red and green apples.

The **Terrific Teacher™ Musical Waterglobes** are a trio of 2.75" waterglobes, each with child-art styling and messages that reflect year-round appreciation for teachers. Each water-globe plays the song "It's A Small World" and is individually gift-boxed. There are three designs:

- "Teachers Have Class" depicts three students inside with the message imprinted on a lined notebook pattern on the base.
- "A+ Teacher" depicts a smiling apple inside with the message imprinted on a lined notebook pattern on the base.
- "World's Greatest Teacher" depicts classroom elements inside with the message imprinted on a lined notebook pattern on the base.
